Credit Score

The score is a statistically based score indicating an entity's credit worthiness. The score ultimately ranks entities based on their riskiness and is designed to assist you in making more informed and consistent credit decisions.

The score is based between 0 and 850 index points with a higher score considered lower risk while lower scores are deemed to be riskier entities. It should be used in partnership with your internal credit procedures and policies.

Entity has acceptable creditworthiness. Extend terms within consideration.
 Entity has a 1.20% chance of failure within the next 12 months.
